None Dangerous Substance

Product group: Starch, Lactose, Inhalation, MCC, Superdisintegrants and Biopharma
All products manufactured by DFE Pharma GmbH & Co. KG

Dear Customer,

All pharmaceutical grade excipients manufactured by DFE Pharma are not classified as dangerous in the global Globally Harmonized System of Classification and Labelling of Chemicals. However, they are all "combustible dusts" with respect to US EPA rules.

The impact of this is that there is no formal requirement to provide customers with an MSDS in the legally defined format. As a service DFE Pharma provides Safety Information.

This statement substitutes all previous versions issued for the brand names mentioned above.
We trust this information, which is made up to the best of our knowledge, will be helpful to you.

With kindest regards,

Name : Armand M. Janssen
Job title : QA Regulatory Affairs Officer
